EDUCATION

Orchid International College

B.Sc Computer Science and Information Technology(CSIT)

December 2026

Current Average GPA: 3.71/4.0

Dhulabari Secondary School

Science (Mathematics and Computer)

December 2022

GPA: 3.51/4.0

COURSEWORK

Courses: Object-Oriented Programming, Data Structures & Algorithms, Discrete Math, Linear Algebra, Calculus, Physics, Probability & Statistics, Compiler Design and Construction, Cryptography, Design Analysis and Algorithm, Advanced Database, Advanced Java Programming, Decision Support System, Data Warehouse & Data Mining

SKILLS

Languages: Java, Python, C/C++, JavaScript, HTML/CSS

Databases: Oracle, MySql, PostgreSQL

Tools: Git/GitHub

PROJECTS

Gig Worker Ranking System | *DjangoRestFramework, React, Logistic Regression*

March 2026 - July 2026

- **Github Repository**

- Implemented **Logistic Regression** to analyze customer reviews sentiment as positive or negative and used the probability confidence to rank.
- Implemented **Haversine distance** and **Bayesian Average Rating** to find the distance and actual rating.
- Finally, Used **Weighted Linear Scoring** to have final weighted ranking for workers.
- Customer and Worker Registration Workflow and Admin Support.

Ecommerce Inventory Management System | *Django, Django Templates*

Jan. 2026

- Developed a full-stack web application using Django with user authentication and role-based access control
- Implemented product management system where users can add, view, update, and delete their own products
- Designed review and rating system for products with user-based permissions
- Utilized Django built-in forms and ORM for efficient data handling
- Integrated user profile management including password change, edit profile and reset functionality

Blog / Newspaper Web Application | *Django, Django Templates*

Jan. 2026

- Developed a content management system using Django with full CRUD functionality for posts
- Implemented user authentication and author-based access control for editing and deleting posts
- Designed comment system to allow user interaction on posts
- Designed comment system to allow user interaction on posts

Hangman Game | *JavaScript, HTML/CSS*

Aug. 2022

- Developed Hangman Game to learn more about JavaScript
- Added Keyboard interaction for game play and word generation
- Implemented Modal Dialog Boxes for Success and Failure Message
- Track of Chances Remaining and Hint of the word

TRAININGS AND CERTIFICATES

Github and Linux

March 2022

Orchid International College

Python with Django

June 2022

Dursikshya Education with Orchid Int'l College

Data Science and Machine Learning

Nov. 2024 - April. 2025

Orchid International College

INTERESTS

Interests : Tech Innovations, Artificial Intelligence, Mathematics

Languages : English(Proficient), Nepali (Native), Hindi (Proficient)

Soft Skills : Leadership, Communication, Problem-Solving, Teamwork, Critical Thinking, Adaptability
